

North State Climate Action

“The world is changing. We aren’t changing fast enough.”

Prof. K. Hayhoe, Climate Scientist

NSCA's Mission: Promote Solutions by Addressing the Climate Crisis Through Education, Collaboration and Action in Our Communities.

What you can do—

- talk about it...work together to reduce the harm
- choose to cut your carbon footprint to the max by 2030
- be informed...visit www.nsclimateaction.org
- express your concern to your elected officials
- VOTE in all local and national elections

No matter where we live, Climate Change is already affecting us today.

To join the 650+ north state citizens who have already requested our local governments to address climate change in all their decisions and actions,

Please sign the North State Climate Plea at:
