

Northern California Botanists 2024 Symposium

PLANT DIVERSITY AND VIABILITY IN UNCERTAIN TIMES

8-9 January 2024 * California State University, Chico * Bell Memorial Union Auditorium

Stipends (\$200) for College Students

NCB will provide a number of stipends to help cover expenses of travel, lodging, meals, and registration for current undergraduate and graduate students that live more than 60 miles from Chico who wish to attend this symposium. Butte College and CSU Chico students are also encouraged to apply; NCB will provide registration refunds to a number of local area students.

Applications must be received no later than 1 December 2023 and should be emailed to russhudd@gmail.com. Apply early – stipends are awarded on a first-come basis to qualified applicants. Applicants awarded stipends will be notified by email in late December or early January. The check for \$200 can be picked up at the registration desk at the conference. **IF YOU DO NOT REGISTER FOR THE CONFERENCE BY 15 DECEMBER, 2023, YOUR APPLICATION WILL BE REJECTED.**

Please make a copy of this form, fill it in, and send it as an attachment to an email to Russ Huddleston.

Requirements

1	Must be a current college student
2	Must provide evidence of interest or involvement in plant sciences (fill in below)
3	Must register for the NCB conference by 15 December 2023

Name:

Address:

City: State: Zip:

Email: Phone:

College:

Please provide evidence of interest or involvement in botany/plant sciences by circling one or more of the items below.

1. Enrolled in a plant class during fall 2023
2. To be enrolled in a plant class in the spring of 2024
3. Presently doing a thesis or dissertation or other college-related project on plants

Please provide the name and valid email address of a faculty member at your college who will vouch for your interest or your involvement in botany/plant science (a letter of recommendation is **NOT** required)
